The Airporter provides regular shuttle service from the Airport to downtown hotels (30 kilometers or 21 miles). One-way fare is currently \$21 including HST. Taxi and car rentals are also available at the airport.

**Rolling In:** The Trans-Canada Highway enters Nova Scotia in Amherst where a visitor center will provide provincial maps and guidebooks. Signs clearly mark the turn south in Truro onto Route 102 towards Halifax. VIA Rail also connects through Montreal to all rail destinations in North America. We are aware of buses or caravans coming from Alberta, Ontario and New England. Let us know if you would like to be added to this list.

**Sailing In:** We regretfully report that the CAT Ferry from Maine has been discontinued.

**Dance Along The Route:** The Meri Squares are planning a dance in Ottawa on Thursday, July 22 at Tom Brown Arena, 141 Bayview Drive (at Scott), 7:30 pm. ## **World Trade & Convention Centre and the Halifax Metro Centre**

Looking uphill from the Grand Parade along Carmichael Street you can see the town clock overlooking our dance area. This combined facility is all under one roof, fully air-conditioned, and interconnected with escalators and elevators. The Registration Area is near the Argyle Street entrance.

Luncheon food will be available on site (soup, salad, sandwiches, sweets and beverage). Please bring your water bottles and fill them with good Halifax water from the fountains. A pedway system (shown in red on the map) connects the complex with several hotels, shops, and eateries.
