METRO ASSOCIATION ACTIVITIES

Summer Dancing 2011:

- Last summer we had an average of two squares present at the ten summer dances. With the fund raising dance at the beginning and the live music dance at the end, this resulted in a profit of \$249 for Metro.
- Callers included Barry and Dyanna Bendle, Kerry Fletcher, Bruce Savage, Mark & Jackie Savage, Barry & Claire Walker, Dottie & Gary Welch, and Ted Hughes (visiting from Massachusetts).
- Lionel Crowe cued at several of the dances.
- Mary Sargeant was a loyal attendee who helped with the door duties several times.
- Several new graduates attended one or more of the dances to hone their skills.
- We also had a few visitors including one couple from California who attended the US National in Detroit and then continued east to tour the Maritimes.
- Judging by the average arrival time, we plan to change the start time to 8 pm next summer.

Heart Fund Dance 2012 scheduled for Saturday, February 25th:

- This year Metro Association will host its 21st Annual Heart Fund Dance in support of the Heart and Stroke Foundation of Nova Scotia at North Woodside Community Centre in Dartmouth on Saturday, February 25th, 2011.
- This dance will feature live music by the Metro Fiddlers with Dottie Welch calling.
- It is open to the general public who will have an opportunity to try square dancing.
- Invite your friends to come, hear, and dance to this toe-tapping music.
- We hope the entry fee of free-will donations to the Heart and Stroke Foundation will better our past records for generosity to this worthy cause.
- Square and Round Dancing is strongly recommended as an excellent activity for maintaining a healthy heart.

Canadian Square & Round Dance Society Appeal To support Earthquake and Tsunami victims

On July 10, 2011 Japan was devastated by one of the worst earthquakes of all time. This earthquake and the resulting tsunamis have killed thousands and left many more thousands homeless, without food, water, or shelter.

Many of these unfortunate people are fellow square dancers or their relatives and friends.

The CSRDS will collect the monies and forward them to the Japan Square Dance Association to distribute to the needy as they see fit.

This is an opportunity for the square dance world to unite for a common cause.

Send cheque or postal money order made payable to
"Square and Round Dance Federation of Nova Scotia",
Marked as "Japanese Sq. Dancer Appeal"
