The DoubleTap

Register for the Provincials!!

S/C Report

Hi Folks.

It's provincials time again, and that means that we need your help to build it. The stages are almost completely designed. We will be using all 6 of AMA's ranges and the jungle range, so the more help the better. Our build party dates are Sunday, July 8th starting at 10 AM and Friday, July 13th starting at 1 PM. Any IPSC NS member who attends at least one of the build parties will get \$20 off their entry at the provincials.

Sean Hansen or IPSC Nova Scotia's address is: PO Box 51032 RPO Rockingham Ridge
Halifax, NS B3M 4R8

Provincials Registration

You must register for the provincials. You can either call Sean at 902-455-5483 during regular M-F office hours or you can email him **before July 9th**. We need to know if you are coming to determine the awards and the number of people to tell Curly Portable's, where we are going to have the awards after the match on Sunday. The match is going to be two days set at a leisurely pace. It's going to be 14 stages; 250 rounds. The entry fee will be \$65. **There is a \$20 discount to anyone who attends at least one of the work parties.** Dinner at Curly's will be included. It is payable at the door. We'll start the usual time on Saturday the 8th at 10AM. Hope to see you there.

MD Seminar

The MD Seminar was well attended. Lots of folks from MVRRC, Lunenburg AMA and Kentville spent the morning discussing how we can offer better matches to all our members. I think it will pay off well this summer.
