

Victoria County Place of Habitation, 1901 Census

by Leland Harvie, Halifax N.S.

Post Office ca. 1902
Baddeck, Victoria Co.

The place of habitation for each household is given in Schedule 2 of the census returns for each sub-district in the 1901 Census. There are 25 sub-districts in Victoria County and I have extracted and sorted the place of habitation as a finding aide. I would encourage others interested in producing similar listings for other counties and publication of a combined list for Nova Scotia to contact me. The census may be viewed on microfilm or on the web site for the National Archives of Canada.
