

# Vital Statistics from Kings County Newspapers 1866-1899

*by John Parker B.A. B.Ed. GRS(C), Windsor Jct. N.S.*

Sometimes it is the small, local newspapers that provide the most information about an individual or family. When children move away they often send to the local paper or have parents or other siblings place the news in the local paper. The obituaries and weddings are much more useful than a notice in a provincial newspaper although that may be all you get in a local paper.

Local, in many communities, means more than just the town. In the case of *The Register*, Berwick, Kings County, Nova Scotia, it included the communities of Harbourville, Somerset, Welsford, Black Rock, Canady Creek, Garland, Waterville, Aylesford and other communities at different times but the vital statistics came in from all continents. Between 1880 and 1920 many families moved to the USA and birth announcements, marriages (often to another Nova Scotia when both were living in California or Florida, or New York or especially Massachusetts). Many obituaries were about former residents who died while living with a son or daughter in the USA.

When I began I was looking only for my own ancestors but this paper seemed to have such a wealth of information that I began extracting the vital statistics. The pages grew but unfortunately the format I used was not easily reproduced for publishing so in the end a copy was given to the Kings Historical Society, Old Courthouse Museum, 37 Cornwallis Street, Kentville, Nova Scotia B4N 2E2 and Lorna Evans indexed them; another copy went to the Annapolis Valley Macdonald Museum, PO Box 925, [Family Center] Middleton, Nova Scotia, B0S 1P0 and was indexed there. All vital statistics were taken from microfilm located at: Nova Scotia Archives & Records Management, [NSARM] Public Archives Building, 6016 University Ave., Halifax, Nova Scotia.

The Register was first called *The Star*, and published out of Berwick, Kings Co., Nova Scotia; the earliest date on microfilm at NSARM is mfm #4012 which contains *The Star* issues. This is a misc. reel with various editions and newspapers - 7 June 1866; 12 July 1866 to 27 Dec 1866 inclusive.

*The Star & Kings Co. Weekly*, Berwick, Kings Co., NS - 23 April 1874; 26 Aug 1875 - mfm #4012.

*The Star*, Weekly Edition, Berwick, Kings Co., Nova Scotia - 17 Jan. 1878 only - mfm # 4012

*The Star*, Semi-Weekly Edition, Berwick, Nova Scotia - 19 Feb. 1879 only - mfm# 4012.

*The New Star*, Kentville, Nova Scotia - 12 Feb. 1886 ; 19 Mar. 1886; 26 March 1886; 23 April 1886 to 4 June 1886 ; 24 Feb. 1888; 8 June 1888; 11 June 1889; 15 July 1892; 22 Nov. 1892 - mfm # 4012.

*The Star & Kings Co. Weekly Reporter*, Kentville, Nova Scotia - 25 May 1871 - mfm #4012.

*The Star*, Wolfville, Nova Scotia - 21 Jan. 1880 ; 2 June 1888 - mfm # 4012.

*The Register*, Berwick, Kings Co., Nova Scotia - 6 Jan 1897 to 29 Sept. 1897 - mfm # 4034; 5 Jan 1898 to 28 Dec. 1898 - mfm #4034 (This reel

is haphazard and contains some of 1943.); 4 Jan 1899 to 27 Dec. 1899 - mfm #4014.

The available vital statistics from 3 Jan 1900 to 29 Mar 1916, and 2 Jan 1918 to 19 June 1918 have been extracted but are not presented here. Vital statistics from 1922 to 1930 are now being compiled.

Any errors or omissions are mine - but please remember this was not started as anything but a personal use project and long before I discovered the advantages of intricate note-keeping. However, I hope there is value in it for many people. Please go to the original source for full information - many entries will have "obit" or "write up" beside them indicating additional information.
