“You are the light of the world. A city on the hill cannot be hidden, neither do people light a lamp and put it under a bowl. Instead they put it on its stand and it gives light to everyone in the house. In the same way, let your light so shine before others that they will see your good deeds and praise your Father in heaven.” Matthew 5:14-16

**Our Mission:** The Church of St. Andrew desires to be a church where you and your family come to pray, where you will worship among warm and welcoming people. A church where you will grow spiritually, and where you and your family will have access to sound Christian learning, while finding value from our history and tradition. We desire a church where community needs are met and fulfilled, where those groups needing a gathering place find a warm welcome. It is our prayer that we are a church that witnesses the love of Jesus Christ.

The Anglican Church of Saint Andrew, Cole Harbour, Nova Scotia has been a community of faith since 1794.

We invite you to make this parish truly “yours” and experience fulfillment of the spiritual needs of your family and the joy of fellowship in a vibrant Christian community. We have many groups, organizations and activities in which you and your family can participate.

### **Spiritual**

It is through our relationship with the Father, His Son Jesus Christ, and the Holy Spirit that we find fullness in life.

### **In-reach**

Within our parish family we strive to know and understand each other's needs, support each other in the well being of mind, body and spirit and enhance our relationship with Jesus Christ together.

### **Outreach**

Among schools, nursing homes, senior citizen housing, and the greater community of Cole Harbour we are challenged to share our joy in Gods' love that we experience through Jesus.

### **Youth (13-21 years)**

We understand that youth ministry in our parish and community must be a high priority and that this ministry is the responsibility of all members of the parish.

### **Leadership Development**

We recognize that leaders in our parish need to be encouraged and supported in their development as leaders.

### **Communication**

In a world where communication is becoming increasingly overwhelming, we will create and sustain welcomed and effective communication among our parish family and to the community.
